West Salem School District
Policy 720

School Safety Program

The District will provide safe, efficient and welcoming learning facilities for students, staff and visitors. In doing so the District shall be in compliance with all state and local safety regulations, codes and orders.

The Director of Buildings and Grounds shall serve as the District Safety Coordinator and shall have responsibility for the development, implementation, and regular updating of the District Safety Plan.

The District Safety Coordinator shall work in cooperation with the Directors of Transportation, Nutrition and Technology along with the building principals to complete an annual audit of district safety practices.
