

West Salem School District
Policy 230

ADMINISTRATIVE TEAM

The Board supports the concept and application of team management in the administration of the district. School administration demands a variety of talents, which cannot be found in any single individual.

The superintendent shall lead and determine the structure of the total administrative team. As a minimum, the administrative team shall consist of the superintendent and all building principals. The team shall be responsible to the superintendent who, in turn, shall be responsible to the Board.
