

Locker Room Privacy

The District shall take the following reasonable measures to protect the privacy of individuals using school locker rooms whether at home or away.

- Under no circumstances can a person use a camera, video recorder, cell phone or other recording device to capture, record or transfer a representation of a nude or partially nude person in the locker room. Any other use of a camera, video recorder or other recording device in the locker room requires the prior permission of the building principal or designated locker room supervisor and the person being photographed, video taped or recorded.
- No media members are allowed access to locker rooms, this includes but is not limited to before, during or after any school athletic event or practice. Coaches and student athletes may be available for interviews directly outside the locker rooms.

Anyone who violates this policy shall be subject to school disciplinary action and/or penalties under state law.

The building principal or designated locker room supervisor, as applicable, shall be responsible for enforcing this policy.

This policy shall be posted in every school locker room in the District.
