

INSURANCE MANAGEMENT

The Board has the responsibility to maintain an adequate insurance program to protect the property of the district against fire, vandalism and theft; to protect the Board members and employees against general liability resulting from the discharge of their duties; to protect the district against bus transportation liability; and to offer protection against injury for all employees while acting on behalf of the school. The Board may also authorize and participate in an insurance program of life, health, dental and other types of insurance for employees.

The district shall make every effort to obtain insurance at the most economical cost, consistent with required service, by obtaining quotations or by negotiation. The responsibility for administering the total insurance program shall be delegated to the district administrator.
