

DISTRICT FITNESS CENTER/INDOOR TRACK

The School District of West Salem staffs and maintains a Fitness Center that serves students, staff and community members.

The Fitness Center director will post the hours for community use and use by athletes. The total number of hours per year will not exceed 2000. A coach may make arrangements with the Fitness Center Director to use the Center during other hours. The coaching staff will be responsible for staffing and cleaning and locking the center during these times.

Students become eligible to use the Fitness Center and walking track at the conclusion of their 8<sup>th</sup> grade year and completion of the Fitness Center Orientation program. Middle school students may use the indoor track under the direct supervision of a coach.

In season athletes have priority use of the Fitness Center between 3-6 PM.

The school district has set the following fees for use of the Fitness Center by residents and Fitness Center and indoor track by non-residents:

	WS High School graduates attending college full time	District Residents	Non district residents who work for a West Salem business	Non-District residents
Per visit	\$2.00	\$2.00	\$3.00	\$4.00
Per month	\$10.00	\$15.00	\$20.00	\$30.00
Per Year	\$100.00	\$150.00	\$200.00	\$300.00

- The use of the walking track is free of charge for residents and Fitness Center Members.
- All new Fitness Center members must complete the Fitness Center Orientation program to use equipment.
- The Fitness Center may be only used during scheduled hours or by appointment as approved by the Fitness Center Director.

West Salem School District  
Policy 830.3

- All school district employees and their spouses may use the center free of charge
- All school district residents who also serve as local police officers, fire fighters, and first responders may use the center free of charge
- All school district residents who are active members of the US armed forces may use the center free of charge.
