

Did you know your school is a part of the Coulee Region Farm2School program? This program helps connect local farmers with area schools so that fresh, locally grown foods can be served at school meals. In addition, Farm2School encourages children to try new foods & provides opportunities for hands-on nutrition education both in the cafeteria, classrooms and in school gardens. Each month, one local food is selected as the Harvest of the Month. This food is then featured on promotional signage throughout the school, sampled in monthly taste tests featured at cooking classes with area chefs and farmers and of course, served at mealtime!
