When reviewing policies, the Board may rely on administrators, school staff, students, or citizens to provide evidence of the effectiveness of policies adopted by the Board.

Deleted and original editions of policies that have been revised will be kept in a file in the district office.

The superintendent or his/her designee shall disseminate policies adopted by the Board to employees of the district, students and the public by placing them on the district's website after approval. An e-mail alert on each new or revised policy will be sent to each staff member.
