

West Salem School District
Policy 223

ADMINISTRATOR DEVELOPMENT OPPORTUNITIES

The Board encourages administrative staff members, including the superintendent, to attend educational meetings, conferences and workshops in order to become aware of changes in education that may affect district policies and programs. Attendance at such meetings shall be approved by the superintendent. The superintendent shall inform the Board of his/her attendance at these types of meetings.

Administrators may be reimbursed for expenses incurred while attending such meetings, conferences and workshops. Reimbursement shall be in accordance with established procedures and within current budgetary limitations.
