

West Salem School District
Policy 253

POLICY IMPLEMENTATION

The policies developed by the Board and the administrative rules and procedures developed to implement policies shall be designed to promote an effective and efficient school system. Consequently, it is assumed that all district employees and students shall carry out all Board policies and administrative rules and procedures.

Members of the administrative staff shall be responsible for informing students and staff of existing Board policies and administrative rules and procedures and the district administrator shall be responsible for seeing that they are implemented.
