

District Website and Other News Organizations
Parent Non-Permission

To assure student safety a student's picture or likeness will not be labeled with their name, address, or phone number or any other identifying data. A student's name may appear, but never in connection with their photo. Some examples of work that may appear include: art projects, written work, or video clips.

Parent(s)/guardian(s) of West Salem student must annually sign a form provided at registration indicating that they are not giving permission for the district to use a child's name, likeness or voice on the district web site.
