Policy 537

INSTRUCTIONAL STAFF DEVELOPMENT OPPORTUNITIES

The Board believes in the importance of instructional staff development and improvement. Therefore, the Board shall provide opportunities for staff members to keep abreast of the changing needs of society and education through local in-service activities, attendance at educational conferences and workshops and advanced education courses.

Reimbursement for conference or workshop attendance and advanced education courses shall be in accordance with established procedures.

Staff development financial plans must be approved by the board as part of the budget process.
