

Heider Center Funds

Funds and interest are to be placed in Fund 21. These funds shall be spent for upgrades and additional equipment.

Repairs or additional equipment needed are to be made with the approval of the Director of the Heider Center, Director of Building and Grounds, and superintendent for repairs under \$2,000 or under \$5,000 total for the fiscal year.

Approval for repairs or additional equipment over \$2,000 and/or a total for the year over \$5,000 is needed by the School Board after having been reviewed and approved by the finance committee.
