

VISITORS TO THE SCHOOL

Students

Students shall not be allowed to bring friends to school during the school day, unless permission is secured from the building principal in advance of the visit. Such permission shall be given only under special circumstances and only when the visitor is roughly the same age as the district student.

Parents

Parents/guardians are welcomed and urged to visit schools periodically and to take an interest in school functions. Parents/guardians may visit schools in accordance with established guidelines.
