Using Online Databases From Home
West Salem High School Library

West Salem High School Library has several online databases students are expected to use when they are given a research assignment. Online databases are a very important part of research and very different from doing a general Internet search. Online databases are subscription based. Following are the passwords and addresses to use them from your home computer.

Badgerlink (Free to Wisconsin Residents)	
Lit Finder	Poems, Stories, Plays, and Essays
EBSCOhost	Magazines and Journals
Proquest	National and Wisconsin Newspapers
www.badgerlink.net	
Depending on your Internet provider, you may need a library card from the La Crosse County library system. These cards are free!	

World Book – Online version of the encyclopedia	www.worldbookonline.com
USERNAME	panthers2
PASSWORD	wbpanther

Opposing Viewpoints – Hot topics of today from essays, magazines, newspapers, and primary sources searchable by keyword but are based on the pros and cons of the topic
Global Issues – current issues of the world
Science Resource Center
Contemporary Authors
Biography Resource Center

www.infotrac.galegroup.com/itweb/wsalemhs	
PASSWORD	west
