

- “This experience taught me that integrity often
- requires uncomfortable honesty and quiet
- courage. I learned that leadership is not about
- avoiding conflict or protecting comfort, but about
- doing what is right for the greater good.”

Tahlia, 2026 Scholarship recipient

**Students
of Integrity
Scholarship** SM

\$2,500

BBB Wisconsin awards \$2,500 scholarships to Wisconsin high school students who have demonstrated character, leadership, and ethical values. The scholarships are awarded for post-high school education at any Wisconsin-based accredited universities, community colleges and technical colleges.

Rather than focusing on grades or extracurricular activities, the BBB scholarship is primarily based on an essay which must convey how the student has experienced and dealt with an ethical dilemma. As the scholarship recipients pursue their careers, BBB Wisconsin hopes to develop future business leaders who will promote ethics in the Wisconsin marketplace.
