Written and Oral Reports

District Strategic Initiative updates from the Superintendent's Collaborative and Management Team and the Superintendent were reviewed.

Connection with the Community

Lydia Jothan, Student Representative, reported on:

Last week, the band and choir students, along with some community members, headed down to Florida to spend the week at Disney and Universal. The band performed in Magic Kingdom, making that the seniors' last parade. The choir performed several Christmas songs in Disney Springs where senior Breanna Smith killed some amazing solos. Overall, students said they had tons of fun and especially liked that this trip allows freedom of choice. Each day there were suggested places to go but students had the option to go, eat, or explore anywhere as long as they stayed on Disney property. The bus rides were long, but students stayed busy and enjoyed that we stopped in Tennessee instead of driving straight through. And other than one stop for a popped tire, and some traffic, the drive went well. Everyone that I've talked to had a blast and had tons of stories to share!

This past weekend, the gymnastics team had its first meet in Mankato. There, Olivia Maki set the school record on vault with a 9.5 and placed 3rd in vault. Overall, the gymnastics team took 3rd of 8 teams.

The choir concert was this weekend where they performed their Christmas songs. Right after the show choir had its first Performance. Singings, the coed show choir performed their show Storm, and Vivace, the girls show choir performed their show coffee shop. Overall, both performances went very well.

The dance team had their Winter showcase and said it went really well. The event gave all the dancers an opportunity to perform the routines they've been working so hard on over the past few months. The team performed their Pom routine, small-group jazz routine, Senior Ella Owen's solo, and Junior Cailyn Skrede's solo. They also had elementary and middle school dancers take the floor between their performances, to showcase what they have been working on the past week! Overall, it was an amazing way for all of them to celebrate what they've accomplished so far in the season. they will be performing again this Saturday in little chute!

The NHS giving tree is running right now. There are tags with 25 and 50-dollar gift cards waiting to be filled. There are still 100 tags left, and looking for anyone to grab them!

Zeke Hyer, Student Representative, reported on:

Wrestling has had a great start to their season with dual wins over Tomah and La Crosse with the girls' team having exhibition matches with a 11-1 record. The team also had a team win in a tournament in Royal over the weekend with notable first place finishes from Teghan Moore, Lucas Fry, Justice Elam, and Cayden Anderson. The girls team also won the tournament with Sophia Anderson taking first place in her bracket.

The boys' basketball team started their season with a win against Tomah, where Senior Will Schmidt tied the school record for assists in a game with 12. The boys play tomorrow at Luther along with the girls for a doubleheader.

The girls have also started their season with two close losses. They play Luther tomorrow at 5:45 with hopes of getting in the win column.

The hockey team started their season as well. They play tomorrow against Viroqua at home.

The seniors have recently completed their research papers and submitted them. These 6-8 page papers have been in the process of being made since the start of the school year. I believe I can speak on behalf of the senior student body that everyone is glad this portion of the Panther Portfolio is done with.

Correspondence

A Department of Public Instruction Proclamation declaring Computer Science Education Week, December 8-14, 2025, was read.

A letter from Our Savior's Lutheran Church regarding a donation to Random Acts of Kindness Fund was read.

Public Comments – None.
