

Asbestos Notification

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the West Salem School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six-month periodic surveillance of asbestos and full re-inspections every three years. For more information, please contact the district office at (608) 786-0700 and ask for Scott Johnson, Director of Buildings and Grounds.
