

Hello Prospective West Salem 4K Families,

It has been a while since our last update, but we have been busy behind the scenes! Our team is hard at work refining the details to ensure a phenomenal experience for our newest Panthers next year.

Our Registration and Open House is approaching on **May 6th**. Families are welcome to drop in at any time during these two windows:

- **Morning:** 9:00 AM – 11:00 AM
- **Afternoon:** 4:00 PM – 6:00 PM

I also want to provide a link directly to our 4k enrollment information. Completing this information as early as possible helps us immensely as we continue planning for the 2026-2027 school year. Completed forms can be emailed in (piper.mandy@wsalem.k12.wi.us) or dropped off at the elementary office.

We know that for many families, **before and after school care** is a top priority. We have been coordinating with local partners to provide you with several reliable options. Below, you will find a list of available programs along with their contact information.

Before and After School Care Options

On-Campus Provider

The West Salem School District is partnering with the La Crosse Area Family YMCA to offer before and after school care for children enrolled in all day 4K. Care will be provided in the 4K wing at West Salem Elementary School Monday -Thursday. If you are interested in receiving enrollment information or have questions, please complete the link below. **This is not a formal registration or a waiting list.** We will be sharing enrollment information in early April, with formal online registration starting April 28th. Details will be posted on our website at www.laxymca.org.

[Full Day 4k Q and A](#)

I've received some questions regarding the possibility of half-day attendance for our 4K program. While our curriculum is designed around a full-day structure, we understand that every child and family has unique needs.

If you are interested in 4k at West Salem Elementary but have hesitations about a full-day schedule, please reach out to me directly. I'd welcome the opportunity to discuss your concerns and explore how we can make this transition work for your child.

Our team is so excited to officially welcome you into the Panther family! If you have any questions about the enrollment process or the open house, please don't hesitate to reach out. We can't wait to see all those new faces on May 6th!

Sincerely,

Alex Hubing
