

## West Salem High School

Update for May 26, 2020

High School Families,  
We hope this update finds you all healthy and well. When we left campus on March 17th, no one could have known we wouldn't be returning to campus again this school year. We are proud of the great work our students and staff have performed over the past few months. We thank our students and families for being flexible and adaptable. We will be returning next week one time to wrap up the final details. Please look closely at home for anything that needs to be returned to school. Hotspots, laptops, books or any other items you have will be dropped off next week. Please check that list twice because we only want students on campus one time for everyone's safety. At the same time, we will be handing out any materials we have for students as well. Please see the additional information in this updated for details.

Enjoy the summer and Be Safe!

Sincerely,

Mike Malott, Principal

### Summer School Sessions

#### **Session 1 - Extended Learning (June 8-26)**

Students who have earned a 45-59% in a 2nd semester class are encouraged to take part in extended learning, up to 3 weeks, to complete enough work to earn credit and pass with at least 60%. Summer School staff will connect daily through phone call or Zoom conference until a passing grade is earned. A student partaking in this session will be allowed to keep his or her laptop until complete.

#### **Session 2 - Blended Learning (July 13-Aug. 14)**

Summer School will have a blended learning - online and face-to-face-look for credit recovery. A student will be invited to this session if he or she failed a class that is required for graduation. We will use Edgenuity for online curriculum. Each required class has been created for credit recovery purposes on this website. Students will report to the school building once per week and will connect once per week with staff on a Zoom call to be scheduled between the student and staff. The course can be completed online, anytime during these 4 weeks by the student. When the course is completed, the student is done.

Was there a staff member who really helped you or your child during this school closure?

### Grading Information

**May 26-June 4:** Staff will feverishly work to connect with students who are currently not passing classes to help them pass and earn the credit. Please accept phone calls, reply to emails and keep Zoom appointments.

**June 8:** Summer School Staff will provide extended learning for students who need just a little longer to wrap up the semester and earn a passing grade.

### Material Turn in/Personal Item Collection

June 1-3 from 11 AM-6 PM.

June 1 - Families with last names A-H

June 2 - Families with last names I-O

June 3 - Families with last names P-Z

\* Families who have children with different last names should choose one day to attend and turn in materials.

### Guidelines

- Everyone entering the building will be screened.
- Masks will be required to enter.
- Social distancing will be observed.
- We will limit people in the building. Only in unique circumstances will parents be admitted with their child.
- Please wait patiently to be admitted.

### Student Turnin Method

1. Get checkout sheet from staff.
2. Travel class schedule to turn in textbooks/class materials and pick up material left in March.
3. Get signatures from PE teacher & LMC
4. Turn in laptop in LMC.
5. Return checkout sheet to office.

## **Building Closed - Office Staffed**

Per the Governor's *Safer at Home* order, the School Building will remain closed until at least June 30.

Beginning June 8, the High School Office will be staffed. Summer Hours will be posted.

### Visitor Guidelines

- Visitors entering the building will be screened.
- Masks will be required to enter.
- Social distancing will be observed.
- We will limit people in the building.
- Please wait patiently to be admitted.

## **School Calendar Updates**

**June 4:** Last Day for Underclassmen, Teachers submit passing grades.

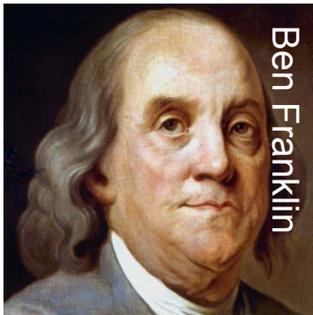

**June 8:** Summer School Session 1 (Extended Learning) begins for students earning between 45-59% in a 2nd Semester Class.

**July 13:** Summer School Session 2 (Edgenuity - Blended Credit Recovery) begins.

**July 25:** Graduation for Class of 2020, Time: TBD
