

# Gale: Opposing Viewpoints

WSHS subscribes to databases which provide credible resources for students. One popular database is Gale (a company, not a person).

How to access the databases:

- High School Webpage
- Academics
- Library Media Center
- Links along right side

List the 3 Gale databases we pay for:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

Password to access the Gale databases:

When writing research papers, students are often asked to include a **refutation**. A refutation notes other theories, but disproves them. To do this, the writer needs to recognize other viewpoints.

1. Log into Gale: Opposing Viewpoints
2. Search a topic of your team's choice
3. Find two opposing views
