## Letter from Superintendent Ryan Rieber

### Kicking Off a New Year

WOW! A year ago when we welcomed in a new year and new decade, little did we know what this year would bring! 2020 certainly brought unique opportunities, situations, and tests. Recently, I read the book *Just Look Up* by Joe Beckman. In the book, he discusses tests, which are not necessarily easy or fun. They are just meant for us to finish. When they are completed, they are something that we can move on from. Joe states, “Tests strip away false identities we’ve poured ourselves into, and they show us that we’re more than the painful experience we’re going through. Tests root us in our authentic selves; they help reveal to us who we really are, and they often show us a resilience we didn’t know we had. Getting to the other side is a relief, and that is where the lessons are.” Needless to say, 2020 has been a test for all of us with the hope and anticipation that we are beginning to get to the other side, and we are beginning to experience some relief. We are anxious and excited for what the new year will bring!

Welcome to the newness and optimism of a new year. We are excited about the opportunities that lie ahead of us, especially since we welcomed our students back into our district buildings on January 4th. Bringing our students back to our buildings helps to bring more joy to all of us this time of year. We have been preparing and planning for their return and it was great to see them all back on campus again. The time that we had with our students in September and October prepared us procedurally for their return. We are confident in the protocols that we have in place, and our school nursing staff continues to work diligently updating information and preparing for the necessary contact tracing. We will still face challenges, but we are ready for them.

The District has updated our COVID-19 Dashboard. The new dashboard will update and share our numbers within the district of staff and students who are unavailable for in-person instruction due to quarantine or positive COVID results. This dashboard is updated daily after any needed contact tracing and communication has been completed. Our goal and purpose of this is to be transparent for our families and community.

## School District of West Salem

Thank you! These are two words that have the power to impact our health, happiness, and success. People who are grateful are more likely to hold and maintain positive relationships with others. Gratitude also improves our health through the reduction of stress along with thinking more clearly under pressure and healing us physically. It has also been found that it is physiologically impossible to be stressed and thankful at the same time. Gratitude and appreciation are essential for a healthy work environment. With all of this being

said, I want to say “Thank You” for all that our students, staff, parents, community members, and local partners have endured this past year. This has been a year that will not soon be forgotten, but one that will help to make us stronger and better people. Thank you for all that you have done, and I wish you all a happy and healthy 2021!

Ryan G. Rieber  
Superintendent

# Volunteers Wanted!

The School Nutrition Services Department is looking for volunteers to assist with meal pick-up for students that are learning virtually. Volunteers would hand out meals to families from approximately 10:15 a.m. - 11:45 a.m. outside the High School on Monday's. Please note, volunteers are required to wear a mask and abide by the school district's COVID-19 Attendance Guidelines.

Are you interested in helping out? If so, we require that you fill out the “Personal Data” section of the Paper Application and Background Check Form which can be found at the link below and email them to [quinn.monica@wsalem.k12.wi.us](mailto:quinn.monica@wsalem.k12.wi.us) and [klunk.emily@wsalem.k12.wi.us](mailto:klunk.emily@wsalem.k12.wi.us). Paper application materials can also be picked up and returned at the District Office.

# 4K Screening & Registration and Child Development Days

Due to the COVID-19 pandemic, we are not able to safely host our “traditional” 4K registration and screening events this year. Instead we will be hosting a virtual 4K registration event and inviting families to sign up for an in-person screening opportunity. Assuming community numbers allow, we will host small group screening sessions at the elementary school.

If you have a student who will be four years old by September 1, 2021 please join us for our virtual 4K registration and in-person screening. You will be asked to complete online registration information. After completing your child’s online registration you will receive a link to sign up for one 30 minute in-person screening session at the elementary school. Please mark your calendars for one of the following screening sessions:

Tuesday, February 23rd (evening sessions)

30 minute sessions starting at 5:30 pm - 7:00 pm

Thursday, February 25th (evening sessions)

30 minute sessions starting at 5:30 pm - 7:00 pm

Friday, February 26th (afternoon/day sessions)

30 minute sessions starting at 12:30 pm - 2:00 pm

**Please contact the elementary office at 608-786-1662 or email Jane Frank at [frank.jane@wsalem.k12.wi.us](mailto:frank.jane@wsalem.k12.wi.us) to pre-register.**

## 3 Year Old Child Development Days

As part of ongoing Child-Find efforts our district is committed to ensuring that we keep up with screening children even during this time of enhanced safety measures due to COVID-19. We have changed our screening process for the 2020-2021 school year. This change will allow us to continue to screen and make early identifications of children who may need extra help now or in the near future.

We traditionally host an in-person screening event in February paired with a parent questionnaire. This year we are going to use Ages and Stages (ASQ) and/or Ages and Stages Online. **If you have a child who will be three years old by September 1, 2021 please contact Amber Clark at 608-786-1662 ext 3117 or [clark.amber@wsalem.k12.wi.us](mailto:clark.amber@wsalem.k12.wi.us)** to get online screening instructions or to request a paper screener be mailed to you. Once screening results are received (online or paper), someone from the Early Childhood team will contact you with your child’s results. An optional virtual or in-person observation may be offered if there are any developmental concerns.

## Giving Back this Holiday Season

The firefighters of the West Salem Volunteer Fire Department and the West Salem community went above and beyond this holiday season, collecting coats, hats, gloves, and toys for our families and students in need. In addition, the firefighters also gave generously out of their own pockets, donating \$2,700 to our Random Acts of Kindness Fund. We are so thankful for their generosity, and we know that they have helped make this holiday season a little bit merrier for many. Pictured L-R are Scott Johnson and Greg Hutson, members of the West Salem Volunteer Fire Department, West Salem Middle School Counselor Mike Lang, and West Salem Elementary School Counselor Gayle Lassen.

## WSMS Science Teacher Wins Tools for Schools Award

West Salem Middle School 7th grade science teacher Brian Baker was recently awarded \$750 through the WXOW Tools for Schools program sponsored by Brenengen Auto Group, Dependable Solutions, and River Bank. Baker applied for the grant in order to purchase new GPS units for his students to use at the school forest. The grant will allow him to get eight new units that students will use to practice geocaching, make observations, collect forest measurements and explore different areas of the forest. We are so excited for our students to be able to use these devices to explore and learn in new ways!

## A Tradition Continues

As challenging and testing as 2020 proved to be, we certainly ended the year on a very positive and supportive note. Our middle school students, in conjunction with the West Salem Lions Club, continued their tradition of collecting non-perishable food items and toiletries for those in need, and our elementary students joined them this year too! Thanks to our caring and empathetic students, families, and community members, we were able to help over 95 of our neighbors with this collection! Several of our students even came up with the idea to distribute flyers to their neighborhood, and collected the items themselves to bring to school. This was such an inspiring and heart-warming story of generosity and students wanting to help others! These students modeled our mission of serving with passion and creating excellence within our community.

West Salem Middle School Counselor Mike Lang worked with the Lions Club members as they came to the middle school to pick up and deliver the baskets to the recipients. They shared with him how appreciative all of the individuals and families were when they dropped off the items. He said, "I had the honor to hand out a couple of baskets myself and the tears in the eyes of the mom who got one of the baskets was heart-breaking, yet heart-warming at the same time. All were extremely grateful for your generosity. We cannot THANK all of YOU who donated in any way to this worthwhile event enough." Thank you, West Salem students, staff, and community members for your continued generosity!

## Athletics Update

Now that students are returning to in-person classes, athletics have also resumed. Please see below for details regarding our spectator policy for high school home events. At this time, middle school athletes will not be participating in games.

### Spectator Policy

Each athlete will be given 4 tickets for immediate family members to attend home events. Family members must remain seated together and socially distanced from other groups.

No visiting fans will be allowed.

To allow more people to view the events from home, we will also be livestreaming all home games and matches on our District YouTube channel. Our channel can be found by searching "School District of West Salem."

To view the most current schedule of athletic events, please visit our website, click on "Schools" > "High School" > "Activities" > "Athletics" and scroll down to the "Livestream Events" link. This link will show the dates, times, and livestream links for all of the week's home and away events. Please remember to check this link as an event approaches, in case of any last-minute changes or cancellations.

Thank you for your support of Panther athletics!

## Operation Holiday Cheer

Our staff entered the field of education because they care about students, and they want the best for them, both in and out of the classroom. Before the holidays, they wanted to remind their students that they have missed them and are so proud of the hard work they have been putting in during virtual learning. On Wednesday, December 23rd, staff from all of our buildings embarked on "Operation Holiday Cheer," and gathered gifts, loaded up busses, vans, and cars, donned their Santa hats, and traveled to every stu-

dent's home to spread some holiday cheer. Seeing the smiles that lit up their faces as they opened the doors was a wonderful gift for everyone and we were so happy to be able to spread some cheer to our students. A huge thank you to all of our staff members for their work to make this event a success from organizing bus routes to assigning staff, ordering and sorting gifts and traveling throughout West Salem and the surrounding communities to ensure all students received some cheer.
