# Letter from Superintendent Troy Gunderson

### 2020 - Planning to Plan

The arrival of 2020 marks both the end of another year and in this case, the end of another decade. The "twenty-teens" will soon be in the history books! This unique time offers the opportunity to reflect upon the accomplishments and blessings of the past and to forecast and plan for the future.

Looking back, the district adopted a strategic plan in 2012 and an updated plan in 2017. The goals within the plans aligned to the areas of Teaching and Learning, Workforce Engagement and Development, Communication and Engagement, and Business Operations. Highlights of the many accomplishments connected to the planning process are noted below. Good stuff!

These impressive accomplishments are the direct result of the generous and trusting support offered by our residents and the dedication and skill of our team. As noted many times, the quality of our people, our facilities, and our programming are literally second to none. The School District of West Salem is one of the premier school districts in our state. We remain humbled by the support of our community and energized to "serve with passion" each and every day. Looking ahead, it is once again time to update our strategic plan. We hope to use 2020 as a planning year with the ultimate goal of producing an updated 2021 Strategic Plan. A critical part of the planning process is enlisting the input of our stakeholders. The district conducted community surveys prior to completing both the 2012 and 2017 plans. A new survey is in development with distribution scheduled for March. The spring and summer months will include additional input from various focus groups. Early fall will be marked by updated data collection from across the district. Finally, a new and improved 2021 Strategic Plan will be ready for publication by the new year.

The decade of the "twenty-teens" will be remembered as a decade of tremendous achievement for our school district. With your assistance in the planning process and with your unwavering support, we believe the "twenty-twenties" will be a decade of excellence. Let's make it happen!

Sincerely,

Troy M. Gunderson, Superintendent

# Learning with Buddies

Eighth grade students from Mrs. Sackett's English classes and kindergarten students paired up with buddies at the beginning of the year, and have been working together on a variety of writing activities. To celebrate the holiday season, they did an activity where the kindergarten students told the 8th graders how they would trap a gingerbread man and then the 8th graders helped them write out the three steps they would use to trap them. After writing, they either drew a picture of their gingerbread man and their trap, or they got to color in and cut out a gingerbread man or woman to put with their story. We are so fortunate to have the opportunity for our students in all of our buildings to work together with each other!

# **WSHS LMC Competing for National Grant!**

The West Salem High School Library Media Center recently entered a competition called the Follett Challenge, hosted by the Follett Corporation to recognize unique programs that have a positive impact in their schools and help prepare students for the demands of the 21st centu-

ry. By entering this competition, we have the chance to win up to \$30,000 for our LMC. Several English teachers have implemented a program this year where students spend the first ten minutes of every class period participating in silent reading of a book of their choice. They are also choosing to read more during their study hall and commons periods. As a result of this, our LMC has seen a 133% increase in the amount of books checked out by

students during the first semester this year. Sophomore Nik Hanson said, "I believe having 10 minutes of reading required during classes is very important. Having to do that this year instead of last year, I'm reading more books where last year I checked out two books in the library and now I've checked out seven. In order to win money for our school, we need your help! Voting, which makes up part of our score, will start on Follett's website at www. follettchallenge.com on Monday, January 20th at 8 a.m. and run through Friday, January 24th at 4 p.m. Each person can vote once per day, per device. Please help us win money for our school!

# 3 Year Old Child Development Days

If you have a child who will be three by September 1, 2020 please plan on bringing your child to one of the free developmental screening clinics at the West Salem Elementary School. Early childhood staff and a speech therapist will be available to interact with your child while looking for specific developmental milestones. They will have you fill out a questionnaire regarding your child's development and take the time to discuss all of this with you. Please plan on the whole process taking approximately 45 minutes. Please call Amber Clark at 786-1662 ext 3117 to let us know which date works for you.

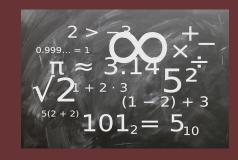

Thursday, February 27 from 3:30-5:30pm OR Friday, February 28 from 9-11am

## **Automotive Career Academy Receives Donation**

The automotive Career Academy at West Salem High School received a very generous donation from Allstate Peterbilt of La Crosse in the amount of \$1682. The funds came from a fundraiser at one of their recent truck shows, as well as a general donation from the company to benefit the program. The program offers classes such as Automotive Fundamentals, Automotive Diagnostics, and Advanced Automotive Concepts where students can earn ASE Certifications that enable them to begin their careers in professional shops. Paul Liethen, Technology Education teacher at WSHS said the class plans to use the funds to purchase parts for an engine that was donated to the program. The students' plan is to have a running stand-alone engine which they can then use scan tools on to monitor the engines vital signs. They also plan to use some of the money to purchase hard to find tools that they do not currently have funding for. A huge thank you to Allstate Peterbilt for their generosity and willingness to help our program grow!
