WSHS Student Wins Green Bay Packers Art Contest

We'd like to give a huge congratulations to WSHS student Ethan Lehman for winning the annual Green Bay Packers Art Contest for the 9th-12th Grade division! Ethan's work was one of just three pieces picked out of submissions from all across the state. This year's theme was "Why the Packers Inspire You" and Ethan wrote about how Aaron Jones' perseverance after his father's death inspired him to keep going even

when life gets tough. We think he did an excellent job depicting Jones in detail. If you look closely you can even see the crowd in the reflection of his glasses! As part of his prize, Ethan will receive tickets to the Packers vs. Cowboys game, as well as \$5,000 for the West Salem Art Department! His artwork will also be hung in Lambeau for the upcoming season. Way to go, Ethan and Go Pack Go!

DECA Competes at ICDC in Atlanta

Eight of our high school DECA students traveled to Atlanta at the end of April to compete in the annual DECA International Career Development Conference. All students competed well at the event, and seniors Calista Robaczewski and Abi Koch finished 2nd in the Virtual Business Restaurant event, which is the highest place finish in school history!

Congratulations on an outstanding performance! In addition, senior Kate Fitzgerald also finished out her tenure as Wisconsin DECA President. While there, students also got to enjoy the sights including Mercedes-Benz Stadium, the College Football Hall of Fame, the Civil and Human Rights Museum, the Atlanta Aquarium, the World of Coca-Cola, and much more! These events are such an important part of the high school experience for our students, and we are so thankful for all of the support and guidance they receive, especially from their advisors, Mr. Holter and Miss Hodgson, and the rest of our staff!

Congratulations 2022 Neshonoc Dedicatee, Amy Marshall!

Every year, our high school journalism staff selects an individual that has made a positive impact in our district and embodies the yearbook theme to honor as the Neshonoc Yearbook Dedicatee. This has been a long-standing tradition at West Salem High School since 1947. This year's theme was "The Next Chapter" and the 2022 Yearbook Dedicatee is Amy Marshall.

Amy has been with the district for 19 years, first serving as a paraprofessional and then transferring to her current role of special education teacher. Throughout this time, she has been in all three buildings and touched countless students' lives. She has a true passion for teaching and helping her students to become the best they can be. Her hard work, dedication and commitment to always doing what is best for her students are all a true testament to what a deserving person Amy is.

"She helps give them confidence and fosters independence." says West Salem Middle School Principal Ben Wopat. "She gets to know them, she builds trust with them, and, therefore, builds trust within our school system." Students know that she is supporting them through every step of their lives in and outside of the classroom. Thank you Amy for all that you do, and congratulations!

School District of West Salem

A person that I often read, Jon Gordon, recently shared his advice for graduates or anyone with a dream. His advice is as follows:

- 1) Where you are now is not where you are going to be.
- 2) You don't have to be perfect to start. Just start.
- 3) Don't be afraid to fail.
- 4) Sometimes you have to lose a goal to find your destiny.
- 5) You are here for a reason. You have a purpose, and you are meant to live and share it.
- 6) You don't have to be great. You just have to have a great desire to be your best and bring out the best in others.
- 7) Ignore the critics. Just show up each day and do the work.
- 8) Stay positive. There is a plan!
- 9) If you believe your best days are ahead of you, they are. The best is yet to come.

This is a symbolic time of year, especially for our graduating seniors, but it is also a point in which we can all take the advice above and prepare for the next chapter in our lives. The more we strive to improve ourselves each day, the greater impact we can have on our West Salem community. Thank you for all that you do for our schools and community, and have a wonderful summer!

Letter from Superintendent Ryan Rieber

The Next Chapter

Annually, the high school yearbook staff announces the yearbook theme in conjunction with the yearbook dedicatee. This year’s theme was “The Next Chapter,” and the dedicatee was Mrs. Amy Marshall. Amy is an outstanding person who loves the students and staff she works with. She is a giving individual who truly “Serves with Passion.” Also, during this assembly, we recognize the newest inductees of the West Salem High School Hall of Fame. This tradition began four years ago by Mr. Troy Gunderson to bring recognition to those who have made West Salem such a special place to be. This year’s inductees are Bob Gorniak, Mike Greene, and Damian Miller.

All three inductees had inspiring words and experiences that they shared with our students. Bob Gorniak has served as a coach, mentor, and role model for student-athletes in West Salem for over 44 years. Damian Miller had an impressive eleven-year career in major league baseball, highlighted by a World Series title and

an All Star Game appearance. Mike Greene was the 1985 valedictorian, a member of the UN peacekeeping forces in Haiti and El Salvador, along with being a part of a nonprofit group assisting people of San Lucas, Guatemala. Placing the accomplishments of these three inductees into one sentence does not do justice to how they have continued to “Serve with Passion” past their years as students in West Salem. Congratulations to Bob, Damian, Mike, and their families!

While speaking to the students, Mike Greene encouraged the students to not wait for something to happen in their lives, but to go out and make it happen. He also suggested that our students should find a way to become involved in something bigger than themselves. As part of his talk, he encouraged students to be present and not step out and miss the moments in their lives. The more present that we are, the more involved we will be, and the more memorable moments we will have. A very good piece of advice for all of us, as each day of our lives is an opportunity.

This was a very fitting way for our high school seniors to end their time in our district as they prepare for their “Next Chapters.”

Letter continues on next page...
