Together . . . Every student, Everyone, Every day!

November 4, 2020

Hello 4K, Grade 1, and Grade 2 Panther Families!

As we prepare for more time online, we will be providing your child with more materials at home. Similar to this week, your child will have a bag of materials with workbooks and writing papers to be completed in correspondence with SeeSaw lessons. There will also be optional November/Thanksgiving activities and packets for Grades 1 & 2, for some extra fun and extra skill practice as well! The materials for 4K are similar to what has been sent home for our other online learning weeks.

Materials pickup will be this Friday, Nov. 6th, between 7:15am-3:30pm. We will have paraprofessionals in the front loop of the elementary school, ready to greet you and give you the materials in a drive-through fashion. Our staff will be practicing proper social distancing, wearing face masks, and limiting contact. We ask that you and your child remain in your vehicles and drive up in the front loop area.

4K students that ride the bus will have their materials delivered to their drop-off location on Monday. If your child rides the bus but you are planning to pick up their materials on Friday, please e-mail your child's teacher and let them know so they can put your child's materials in the office for the pickup.

We continue to be so thankful for your continued support and partnership in your child's education.

Sincerely,

Grades 4K, 1, & 2 Staff Members
