May 19, 2020

Dear WSHS Families,

Thank you for your continued support and patience as we work through all the unique changes and details of our ever changing world. As we approach the end of the school year, we wanted to give you a "heads up" as to how we intend to wrap up the school year. Although the specific details are still being worked out, the dates have been solidified.

First, I would like to congratulate the Class of 2020. We all understand how unfortunate your senior year ended. Your positive attitudes are admirable. We can't wait to celebrate with you at the end of July. We will begin handing out the Josten's orders tomorrow, May 20th. Details regarding pick up will be coming from one of our senior advisors later today. Please keep an eye out for that email.

We will continue to wrap up the academic portions of the school year with grades 9-12 during the next two weeks. The district is coordinating a pick up and turn in of all materials during the afternoon and early evenings of June 1-3. We are working hard to provide each family with a safe manner in which to return materials. A specific schedule will be provided after Memorial Day.

As always thank you for your continued support.

Mike Malott  
Principal  
West Salem High School
