

Hello kiddos and families of West Salem School District!

My name is Chrissy, and my friends and I at Kicking Bear want to invite YOU and all your friends out to our FREE event called "Unity Through Community Camp" at the Omni Center in Onalaska (255 Riders Club Rd) on Sunday, March 17th from 1:30-8pm! There will be tons of kids activities including archery, bouncy houses, face painting, sling shots, arts n crafts, line dancing and more; and who doesn't want FREE PIZZA provided by our friends at the Pizza Ranch?! We will also be having a contest for our best dressed St. Patrick's boy, girl, and family, so if you love to dress up, this is your time to shine! Parents, pre-register your family at this link: <https://forms.gle/LZn5aSSBWw8vqSMTA>

All walk-ins are welcome so spread the word to all your friends and bring a friend with you if their parent or guardian can't bring them but wants to send them! Registration for those who didn't pre-register will start at 1:30pm on March 17th, and all activities will begin at 2pm! Please come by that time so that we can get your kiddos into rotating groups through the activity stations! We hope to see you all out there to have a blast together with us and the community! Email me with any questions at chrissy@kickingbear.org.

Thanks! ~Chrissy
