Letter from Superintendent Ryan Rieber

Budget and Annual Meeting Updates

Happy November,

We recently had our Budget Hearing and Annual Meeting for our school district. The projected budget numbers that we had going into the 20-21 school year came in almost as expected. A couple of changes that came in this year's budget. One being the school district will be receiving \$160k because of a declining enrollment exemption. This is an exemption that districts are given for one year when their third Friday count in September drops. The enrollment in West Salem and across the area and state are down this year. The enrollment in West Salem is down 3% from last year, which matches the state average. A large part of this has to do with our current situation. The second area of change is additional dollars going toward private schools and private school special education voucher aid deduction to the tune of a \$200k increase. This is money that our district needs to provide to our local private schools. This will be absorbed within our budget for a total of \$450k to our local taxpayers. Taking this into account, the tax

levy was set at \$9.54, which is a penny below the \$9.55 that the school district promised upon passing the referendum in the spring of 2018.

Recently, the author Jon Gordon wrote an article about three things that a crisis will reveal about people. He said that a crisis will reveal who you are, what you value, and what you believe. I want to thank the community for how we all worked together in cooperation in order to have our students in school and participate in co-curricular activities during the month of October. The work that we have done together has allowed our students opportunities that others around us have not had.

As we move forward and with the statewide increase in COVID numbers, we are again asking for your help and support. West Salem and our surrounding communities values and supports the education of our children. Now more than ever every person plays a critical role in their education by ensuring the health and safety of our community. Our goal is to promote safety for everyone to ensure a greater likelihood of keeping our schools open. We ask that you follow health and safety guidelines. As fall transitions to winter more activities will move indoors. Please approach the upcoming

community and family events with caution and care. Our individual actions have large implications; the education of our students relies upon a healthy and safe community.

School Nutrition Updates

Breakfast and Lunch are FREE to ALL students for the entire school year! USDA has extended the waiver for free meals for all children for the entire 2020-21 school year. This means all students regardless of their free/reduced status can receive a free breakfast and lunch daily when learning at school or virtually. This is exciting news that can save families time and money! Please see the details below about how each school's meal service operates so parents can feel confident sending their children to school knowing they will get a nutritious breakfast and lunch.

*Please note that second meals, extra entrees, morning milk, and ala carte items still require payment. Procedures on adding funds to the family food service account can be found on the nutrition service page on the school website. We are still accepting cash at ala carte.

Ala carte items and pricing can be accessed on the nutrition services page on the school website. Menus can be accessed on the website or through the Nutrislice App.

Lunch times may vary based on schedule being followed.

Elementary School

Breakfast: Breakfast in a grab and go format is available from 7:30 - 8:15 each morning. Breakfast bags are located on carts in each hallway for students to grab on the way to their classroom. If your child would like to eat breakfast, please try to arrive at school no later than 7:45 to allow ample time to enjoy breakfast. Morning supervisors are available to assist students with breakfast.

Lunch: Students walk down to the cafeteria with their class to pick up their pre-assembled lunches.

The West Salem First Responders Need Your Help!

With call volume at an all-time high and membership at a critically low level, the All-Volunteer West Salem First Responders are looking for individuals who want to give back to their community. Being a first responder is a challenging but very rewarding way to do just that. If you live in West Salem or its surrounding areas (Barre Mills and Hamilton) and can donate some spare time, let us know!

Registered Nurses are able to join without taking additional classes. If you would like to learn about our ride along program, please contact us.

Important Info for 2021 Seniors

CLASS OF 2021: IT IS YOUR TIME

Senior year is finally here! We have an important yearbook deadline to keep in mind. Each senior needs to submit the following photos:

1. Yearbook Portrait

This photo is a traditional, formal head and shoulders pose. You may use this same portrait for everything if you would like.

***No full-length poses, hats, props, "misty" filters, or distracting backgrounds.**

2. Times of Our Lives

This may be less formal.

3. Baby Photo

This photo will be used to morph into the "big kid" photo for the Senior Slide Show. The best morphs are created using baby photos where the baby's face is the dominant part of the photo.

4. Senior Photo for Slide Show

This photo will be the photo that the baby photo morphs into for the slide show. It can be the same photo used for the Yearbook or Times of our Lives if you would like.

Photos due:
Friday, Nov. 13,
2020

Submit **300 dpi jpeg** photo(s) via email to
armstrong.andrea@wsalem.k12.wi.us

Please label photos with the student name and publication - ex. JoeSmithYearbook
Labeled hard copy photos can be dropped off to room 241 - silver box

Special Education Department Receives Transition Grant

The Special Education Department recently received a Transition Readiness grant from the Wisconsin Department of Public Instruction that allowed them to purchase a new van for their transition program! We were one of 41 districts throughout the state that received a portion of \$1.5 million in grants. The program is designed to support Wisconsin students with disabilities and to help them successfully transition to competitive work and post-secondary education environments after high school.

The van will be used to transport our middle school and high school students to job shadowing experiences, volunteer work, work experience, and other independent living activities. We are so grateful to have received this grant, and we know it will help us to enrich our student's experiences outside of the classroom. Pictured with the new van is Mrs. Wilson-Smith, our Transition Coordinator and High School Special Education teacher.

District Announcements

Welcome SRO Ganrude!

We recently welcomed Officer Nate Ganrude to our district as our new school resource officer. He comes to West Salem after serving six years as a Sergeant in Bangor. We are very excited that he has joined our team and we can't wait to see how he connects with our students, staff, and families. Our SRO is such an important member of our staff, helping with a variety of issues including everything from truancy to tobacco/drug violations and meeting with students about their concerns to being present as a friendly face in the buildings or out at recess. If you see him around town, or on campus, be sure to stop and say hello!

Transcript Information

Are you transferring to a different college or do you need a copy of your high school transcript?

WSHS graduates that need a transcript can request one online, or print out an official transcript request form by going to the Student Services page on the district website at www.wsalem.k12.wi.us

District Announcements

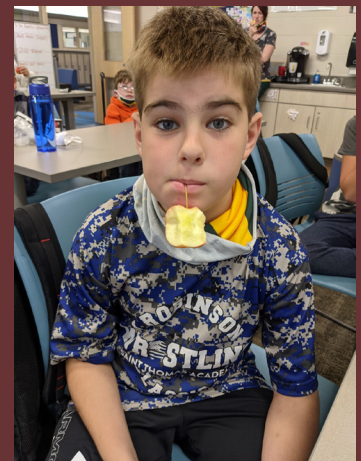

Panther Athletics

Despite seasons that started later and looked different than many in the past, our fall athletics teams have had great success so far this year. Girls tennis had three athletes qualify for the WIAA State Tournament. Madigan Freng competed in #1 singles and Bailee Peterson and Josie LaJeunesse competed in #1 doubles. They gave it their all, but were eliminated in the first round of competition. Our Football team has successfully won three games in a row, marching past the Tomah Timberwolves with a 28-14 win, sealing a homecoming victory over Aquinas and earning a road win over Nekoosa. Girls volleyball successfully continued their unbeaten streak in the Coulee Conference with 52 straight conference wins and moved on to the WIAA sectionals with a #1 seed, but fell to Aquinas in the third round. Boys soccer grabbed a #3 seed in playoffs and beat Berlin, Wautoma/Wild Rose, and Mosinee in sectionals before falling to Sauk Prairie in the Sectional Championship. Last, but not least, our Boys and Girls Cross Country teams have had a very successful season, with the Boys team qualifying for the WIAA State Meet in Colby, along with sophomore Macey Tauscher, who qualified as an individual in the Girls meet. The Boys finished 8th as a team, and Tauscher finished 23rd as an individual.

The Great Apple Crunch

On Wednesday October 7 and Thursday, October 8 students across the district participated in the Great Lakes Great Apple Crunch. They joined over a million others across the Midwest in celebrating National Farm to School Month by enjoying yummy local apples from Ecker's Apple Farm in Trempealeau. The Great Apple Crunch has become a tradition here and students and staff alike enjoy the opportunity to "crunch" every year.

Enjoying the Outdoors

Throughout the month of October, our elementary and middle school students had a chance to get outdoors and enjoy the OEC, also known as the school forest. These trips are a highlight for students and staff in the fall and spring, and it was a great opportunity to get some fresh air while learning about various aspects of the outdoors. Our students learned so much in their outdoor “classroom.” Our younger students learned about habitats and how animals prepare for winter while also looking for signs of

animals in the forest. They got to take a hike to the forest spring where they found some frogs, and completed a habitat and nature scavenger hunt too. Our older students tried geocaching, collected macroinvertebrates while doing a pond study, hiked through the woods, read by the fire and had quiet reflection time. Despite some rainy and cool weather, students and staff made the best of it. We are so fortunate that we have the school forest where our students have an opportunity to get out in nature and learn.
