

School Accountability Report

As part of the state accountability system, the Department of Public Instruction (DPI) produces report cards for every publicly funded school and district in Wisconsin. These Accountability Report Cards include data on multiple indicators for multiple years across four Priority Areas (Student Achievement, Growth, Closing Gaps, and On-track and Post-secondary Success). In addition, given the impact on student success, the Accountability Report Cards also measure chronic absenteeism and dropout rates. A school or district's Overall Accountability Score places the school/district into one of five Overall Accountability Ratings:

Rating	Score	Stars
Significantly Exceeds Expectations	83-100	*****
Exceeds Expectations	73-82.9	****
Meets Expectations	63-72.9	***
Meets Few Expectations	53-62.9	**
Fails to Meet Expectation	0-52.9	*

Due to COVID-19, the Department of Public Instruction (DPI) did not require the FORWARD State Test which is used in many of the calculations in the school report cards. Due to this, the School District of West Salem and their schools did not receive a State Report Card for the 2019-2020 school year. There will be a new one posted for the 2020-2021 school year towards the end of the year in 2021.

To access the School District of West Salem's report cards, please visit our school district's website and navigate to the "District > "District Information" > "School Reporting page. If you do not have home Web access, visit the Hazel Brown Leicht Memorial Library at 201 Neshonoc Road, West Salem, WI.
