The Hall of Fame Committee (committee appointed by the Superintendent and/or designee) will select the next class of honorees by February 1 of the year in which honorees will be inducted. Plaques honoring the recipients will be permanently displayed near the high school entrance.

Process

The West Salem High Honor & Alumni Hall of Fame Committee provides oversight of the program and convenes when needed to consider nominations. The staff within the superintendent's office will establish the committee members and coordinate the committee's work. The Committee will consist of three (3) West Salem High School Alumni, who are not associated with any of the other groups; one (1) *member of the West Salem Business Association (WSBA); one (1) *member of the high school faculty; one (1) *member from the West Salem Lions Club; 1 (one) *member from the West Salem Fire Department or service group. *Note: may or may not be an alumni of West Salem High School.

Limitations of honorees: Generally, honoree selection will not exceed three (3) individuals at one (1) time. Although, the committee may elect to modify the number of honorees.

Nomination forms are available on the District's website.

The selection committee will review nomination materials and select the most deserving honorees. The process may be accomplished through a series of meetings. The honorees are selected by consensus of the committee, if at all possible. If consensus cannot be reached, then the decisions occur through a majority vote of the committee. If a number of nominees are deserving the award, the committee also has the option to designate up to two ranked alternates for the award, who may be so honored in the event that the first honorees are unable or unwilling to participate in the recognition program. The selection decisions of the committee are final.

Staff in the superintendent's office will verify the accuracy of nominee information and conduct additional research as directed by the committee.

Final selections are made by February 1. Honorees are notified of their selection and may be asked to submit additional information. Photographs will be requested for recognition purposes.

The superintendent's office, in cooperation with high school staff, will plan and facilitate appropriate recognition. Honorees are normally recognized and entered into the West Salem High School Alumni Hall of Fame during a small reception in May of each year.
