

West Salem High School

Update for March 18, 2022

Good Afternoon WSHS Families,

March 26th marks the end of the third quarter. It's hard to believe we're about to enter the last chapter of the school year. We continue to be so impressed with our students and their commitment to keeping our buildings safe and most importantly, OPEN!

We have a few calendar reminders for families. First, our National Honor Society is hosting a blood drive tomorrow, March 19th at the American Legion in West Salem. In addition, we have a staff inservice Friday as well and our students do not have school.

Thank you for your continued support. We look forward to finishing the year strong!

Stay safe!

Mike Malott
Principal

West Salem High School

Student Drop Off & Pick up:

For the safety of all students, we ask that parents who drop off and pick up students at the high school do so on Hamlin Street and not in the parking lot of the high school.

National Honor Society Blood Drive

Do something that truly matters, and donate blood at the NHS Blood Drive on Friday March 19th from 9 AM-2 PM at the West Salem American Legion. Donating is safe and easy. Masks are required to be worn. Sign up to save lives [HERE](#). The American Legion Post 51 is located at 148 South Leonard Street.

Reminders from the Health Office:

Antigen vs. PCR Testing

Families are reminded that when testing for COVID-19, they should seek out PCR testing. Antigen tests will need to be followed up by a PCR test for students to return to school.

COVID Dashboard Families are reminded that the Dashboard is where all COVID related absences are updated. The High School will no longer be sending out letters for each COVID related illness that occurs in our building.

Calendar Items

- March 26, 2021** End of Quarter 3
- March 31, 2021** WI Forward Exam- Sophomores
