

West Salem High School

Update for October 2, 2020

Good Morning WSHS Families,

As we transition back into our Flipped Learning Schedule, we want to remind families of all of the safety precautions we are taking to keep our students and staff safe. We travel throughout the buildings as we would travel by car, keeping to the right. We wear our masks and we practice good hand hygiene. In addition, in classrooms and common spaces we adhere to the 6 foot social distancing recommendation. Please remind your students to be good role models for all others when we return next week.

We are excited to welcome back our **WEST** group students (Last Names A-K) on Monday and our **SALEM** group (Last Names L-Z) on Tuesday.

From the School Nurse:

Students who have signs of COVID symptoms should stay home. In order for students to return to school, parents will be required to show proof of negative or positive COVID-19 test results upon receipt of them for verification purposes. Students diagnosed with another illness must provide a doctor's note indicating the reason for the illness. Notes from your family physician can be emailed to District Nurse, Beth Clements at clements.beth@wsalem.k12.wi.us. Do you have specific questions?
