Update for December 15, 2020

Good Afternoon WSHS Families,

We are in the final stretch of a long, exhausting road before a much needed winter break. We hope you are all able to unwind and enjoy your downtime with family as you celebrate the holidays. We thank you for your continued support during these unprecedented times. We are thrilled to announce that we will be holding a community outreach day on Wednesday, December 23. Stay tuned for future communication regarding this special event. Given our special schedule, students will be required to zoom into their homerooms at 8:00 a.m. only Wednesday, December 23rd. At last night's school board meeting, we were given the approval to return to our blended learning model on January 4, 2021. We cannot wait to welcome our students back into our building. As a reminder our WEST students attend on Mondays and Wednesdays and our SALEM students attend on Tuesdays and Thursdays. Our winter co-curricular activities are starting this afternoon. Students are reminded that attendance and grades are factors in determining eligibility for participation in any co-curricular.

Happy Holidays!

## Weather Related Closing Information:

If there would be a weather system that would move through our area at any point when we are learning online, we will continue to have our online learning like we are doing now. This communication would be shared through the local media, Skyward, and social media pages for any students who attend in person learning during our online platform.
