

West Salem High School

Update for January 19, 2021

Good Afternoon WSHS Families,

We are anxiously awaiting the arrival of all students on Monday, January 25th. We want to assure families that we are following all safety protocols to keep our staff and students as safe as possible. Below you will find a link to our “normal” school schedule. As you will see, we have a slightly different schedule on Tuesdays (B Day Schedule). In addition to hosting homeroom on Tuesdays, students are released at 2:38 p.m.

As we return, we want to remind families of our attendance requirements. Zoom attendance is reserved for students under COVID quarantine/isolation only. Students out for illness not related to COVID will be expected to follow up with their teachers via email regarding missed class time.

Say Well!
