

West Salem High School

Update for February 9, 2021

Good Morning WSHS Families,

We have had a great couple weeks with all students and staff back in the building. It's nice to be back to some level of normalcy. We want to assure families that we are following all safety protocols to keep our staff and students as safe as possible. If you have not had a chance to view the latest video the district sent out about covid related illness please view our [VIDEO](#).

We will be running our first early release day this week on Wednesday February 10th. Please note the other important calendar dates below. Mid-quarter is quickly approaching so please help remind your student to stay focused on their academics.

As we return, we want to remind families of our attendance requirements. Zoom attendance is reserved for students under COVID quarantine/isolation only. Students out for illness not related to COVID will be expected to follow up with their teachers via email regarding missed class time.

Stay safe!

Mike Malott
Principal
