

West Salem High School

Update for September 17, 2020

Good Afternoon WSHS Families,

We have enjoyed the hustle and bustle of the return of our students the past week. We could not have been happier with the student's willingness to cooperate with our COVID safety guidelines to help us slow the spread. We can tell they too love the return of a somewhat normal schedule. Unfortunately, due to La Crosse County Covid Collaborative Guidance, we must transition into our online learning platform next week. Students will have required zoom classes for hours 1-4 on Monday and Wednesday. On Tuesday and Thursdays students are required to be in zoom classes hours 5-8. Students will continue distance learning on Fridays. Teachers may require students to check in during Panther Time or distance learning hours for additional support in various content areas. In addition, students will be required to attend our Friday homeroom check-in. A copy of the online schedule and zoom links are conveniently located below. Please note, required attendance means that unexcused student absences from the virtual classroom are considered truancy.

As always, if you have any questions or concerns, please feel free to contact me. No matter what is thrown at us, WE'VE GOT THIS!

Macbook Insurance Reminder

Any families that would like to purchase laptop insurance must have their laptops evaluated for damage by our IT Department prior to being allowed to purchase insurance. Please call the main office of the high school to set up a time to have your computer evaluated.

As a reminder to families placing weekly meal orders, orders placed for breakfast will be delivered the day prior to the intended serve date. For example, if you place a Tuesday breakfast order, your breakfast meal will be delivered on Monday. If choosing the pick-up option, please plan to pick-up your breakfast the day prior as well. Please visit our [School Nutrition Website](#) for further information
