

West Salem High School

Update for September 24, 2020

Good Afternoon WSHS Families,

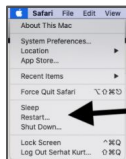

We hope that the transition back to online programming has been smooth for you and your children. As you may know we will continue the online platform for the week of September 28th. We look forward to the day when our halls are buzzing with students again. In the meantime, we remain committed to providing our students with the best experience possible. We ask that you stay the course. As we move forward, our WSHS Updates may be issued on a monthly or bi-monthly basis. We encourage you to frequently check our [COVID-19 Updates](#) website. Please feel free to reach out to us with questions or concerns. We are all here to help students and families navigate this process.

Mike Malott
Principal

ONLINE LEARNING SCHEDULE

Teacher Zoom Links can be found on the [West Salem School District Website](#) and clicking on Zoom Links.

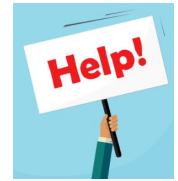

Re-Start Daily! Students should restart their computer at least once daily for optimum performance of their Macbook.

Lifetouch Photos At this time, school portraits for students in our **WEST** group have been postponed. Students in our **SALEM** group are scheduled to be photographed on October 8, 2020. Online orders may be placed at mylifetouch.com Your picture day ID is EVT6QGDSQ

Need Technology Help?

Having issues with your computer or internet connections? Contact the Technology Team at www.wsalem.k12.wi.us > Families > Technology Help

Homecoming 2020: Due to schedule changes in our athletic programming, Homecoming has been rescheduled for October 23, 2020. Stay tuned for further updates.

Attendance: We understand technology can be challenging during these times. Students experiencing technology issues are expected to call the high school office if they experience issues with connecting to the Zoom classroom. (608-786-1220) Office staff are often able to troubleshoot minor issues and have students engaged in class within moments of their phone call. Attendance issues due to technology problems without an effort to remedy is not an excusable absence.

Students are reminded of our expectations when entering the virtual classroom. In other words, please abide by our [Panther Netiquette](#). Most staff are familiar with the faces of WSHS. However, for some staff, this is the first time they are interacting with your child. Please remind your student to identify themselves by first and last name in the Zoom Classroom.
