

WSMS WEEKLY UPDATE

November 13th, 2020

WSMS Families,

WSMS will continue in our [ONLINE LEARNING](#) mode through the Winter Break. We have Christmas/Winter Break from Dec. 24th - Jan. 3rd. Communication for our mode of learning the week of Jan. 4th will be sent from the WSSD Office on Dec. 23rd.

Reminder, if your child is unable to participate in a zoom classroom, parents are asked to call the main office to report your child absent just as if they were in school. We have added a useful link on our website that answers common questions and reviews procedures. Please take the time to click on the link for our [Absence Reporting](#) specific webpage.

Thank you for your continued support. My Christmas Wish is that the conditions will improve for our students to return for in person learning in January. 2020 certainly has presented some unique challenges for our entire society. Here's to a better 2021.
