

WSMS WEEKLY UPDATE

October 29, 2020

WSMS Families,

As I am sure you know by now, WSMS will be moving to [ONLINE LEARNING](#) for the week of November 2nd. We are sad to not see our students next week in person, but committed to their continued learning and growth through this virtual format. We remind students and families that ALL students should follow the online learning schedule listed below. The "Panther Netiquette" flyer is also listed to remind our students of the expectations while participating in this online learning platform. If your child is unable to participate in a zoom classroom, parents are asked to call the main office to report your child absent just as if they were in school. If your child is having technology issues, click on the link in this newsletter, or call the main office at 786-2090. Most of the time the issue can be resolved within minutes and students are back in class right away. Thank you for your continued support. Our kids are doing a GREAT job navigating this difficult situation.

Picture Re-takes

We finished taking student pictures today. We do not have re-takes scheduled yet, but will communicate that out when we have more information. Below, you will find Mr. Wopat's 7th Grade picture. There are 2 things to learn from this. 1. Mr. Wopat enjoyed the tv show "Miami Vice" when he was a kid (this may be a joke only your parents will get). 2. While we will have re-takes available for you....remember, it may not be as bad as you think!
